27" CURVED GAMING MONITOR
HM2724C

USER MANUAL

CONTENTS
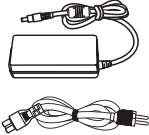

Before using this product, please read this User Manual carefully and keep it well

- Keep the monitor away from water sources or damp places, such as bath rooms, kitchens, basements and swimming pools.

- Make sure the monitor is placed on a flat surface. If the monitor falls down, it may cause human injury or device damage.

- Store and use the monitor in a cool, dry and well ventilated place, and keep it away from emission and heat sources.

- Do not cover or block the vent hole in the rear casing, and do not use the product on a bed, sofa, blanket or similar objects.
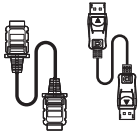

- The range of the supply voltage of the monitor is printed on the label on the rear casing. If it is impossible to determine the supply voltage, please consult the distributor or local power company.

- If the monitor will not be used for a long period, please cut off the power supply to avoid electric shock in rainy days and damage due to abnormal supply voltage.

- Please use a reliable earthing socket, do not overload the socket, or it may cause fire or electric shock.

- Do not put foreign matters into the monitor,or it may cause short circuits resulting fire or electric shock.

- Do not disassemble or repair this product by self to avoid electric shock. If faults occur, please contact the after-sales service directly.

- Do not pull or twist the power cable forcedly.

- There is a polarizer layer (not a protective film) on the surface of the screen. Do not peel it off, or the product may be damaged and the warranty will be invalid.

PRODUCT INTRODUCTION
